Men's Walk #717 - February 18 - 21, 1999

The theme for the Men's Walk to Emmaus #717 is "At the Cross Roads". It is a play on words, meaning both at the intersection of several roads and also, at the road to the cross. The team members for this Walk have been working hard to integrate the theme into our various talks and music, hoping that we will be able to help each pilgrim indeed walk as total strangers with Christ, coming to know him at the end of their journey, as did the two strangers walking with Christ on the road to Emmaus so long ago.

All of us have faced at many critical times in our lives the intersection of various cross roads, sometimes choosing to walk down the right path and sometimes not. Hopefully, all of us have chosen the road to the cross and everlasting life through Jesus Christ. During these three very special days in February, we pray that those pilgrims who are standing at the intersection of a major cross road in their lives do indeed find the way to the cross. Even if it is only one pilgrim, then the Walk, the team's dedicated effort, and all of the local community support behind it all will be worth it indeed. We ask that you pray for each pilgrim and for each team member as we meet "At the Cross Roads".

Yours in Christ -
Tom Ferrell, Lay Director
