## Women's Walk #812 - March 16 - 19, 2000

Over the last several months, as preparations for the Walk begin, I expected confusion to set in. I awoke early every morning and prayed and set aside meditation time. I have been surprised at the peace within. Our Lord has blessed me with an exceptional team, a loving and giving community, and far more blessings than my time invested has deserved. Truly when you do the Lord's work all things work together and this has been a wonderful time for all of the team. We are all excited and anxious to meet our pilgrims and watch our Lord make them flourish and bloom. As we continue in the final preparations, please continue to keep us in your hearts and prayer.

In His Love,  
Lana K. Dillon  
Lay Director
