## Women's Walk #830 - May 11-14, 2000

.Many blessings have already been poured out for Walk #830 . As Agape comes in - the letter bags, book covers, etc., it is amazing how members of our local body of Christ use their God given talents to prepare beautiful things that beam with Christian love. What do we need? PRAYER. Prayer is the most powerful agape we can receive now. This community is so supportive of our local Emmaus activities and Walk #830 is very thankful!
