The Emmaus, Chrysalis and Damascus community needs your help !

Two critical service positions (listed below) need to be filled in our community. The servants that have served in these jobs for many years have decided to step down. In an effort to lesson the burden on any one person, the community is seeking several people to help share the responsibility of the positions. Please read through the job descriptions and prayerfully consider if you could help, and/or if you know someone else who also might be interested please contact the people listed below.

Community Sound Coordinator

Need 3 to 4 people, with a servant's heart to share the job of sound logistics. The job responsibilities include set up and tear down of sound equipment for Emmaus, Damascus and Chrysalis Candlelight's and Closings. The job also requires one person to be present for each event to run the sound board. Set up takes place on Saturday afternoon. The coordinators will also assist music teams setting up in the conference room on Thursdays, if needed. Training will be provided.

Contact Gary Hudson at 857-2440 or

Community Logistics Coordinator

Need 3 to 4 people, with a servant's heart to share the job of logistics coordinator. The job responsibilities include coordinating the setup for Emmaus, Damascus and Chrysalis Candlelight's and assisting team members with the closing setups. The job also requires one person to be present for each candle light to handle lights and direct the pilgrims. Candle light setup is done late Saturday afternoon. Training will be provided.

THANK YOU - THANK YOU

KAIROS #23 McCONNELL UNIT

I want to thank God first and then everyone who had anything to do with Kairos #23 at the McConnell Unit in Beeville on November 1-5, 2006.

Truly **God's Miracle Factory** moved into McConnell and blessed people and changed lives for both Men-In-White and Free-World people. The Holy Spirit was obviously present during the weekend and at Closing.

Also the Team was made up of compassionate, dedicated, and unselfish servants and a sincere thank you to everyone for prayers and agape. We were blessed with a tremendous amount of Green Agape \$ from the community and for that I am so grateful. May God continue to bless the Men-In-White and all who are involved in the Kairos Prison Ministry.

YBIC,
Darvin Dieringer

UPDATE

QUEEN OF PEACE RETREAT CENTER

WORK DAY

The first work day on Nov 4th went well, we had approximately 40 people show up and tackle the tasks for both buildings.

Thank you to all the servants that were able to be there. If you "missed out" on the first work day, we will have at least one or two more, possibly one in December and definitely one in January. We will do a mass

email notice before the next work day. Be ready to help spread the word.

There are contractors doing all of the painting, carpentry, and finishing of the wooden floors as you read this newsletter. This will all be completed between the holidays.

Moving of the items from the old retreat center to Queen of Peace, will be coordinated with the completion of construction. News of moving dates will follow via email and will be posted in the next newsletter if possible.

As the date nears for our first Walk at Queen of Peace Retreat Center, stay close to your computer and phone, as we will mass email for help and call for reunion groups to help.

Please remember the Community gathering Tuesday Dec 5th, for all Emmaus, Journey to Damascus and Chrysalis members, at First United Methodist Church of Corpus Christi which starts at 6:30.

Hoping you all had a Blessed Thanksgiving and will have a Blessed Christmas. De Colores,
Gary Hudson
Emmaus Community Lay Director
