In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. John 1:1-2

That is one of my favorite verses. I love it because of the beautiful play on words (Yup). I love it because of the depth of meaning that identifies the magnitude of who Jesus is. I love it because I love beginnings. Every Christmas season feels like a new beginning to me. The Child came to save us and give us new life. So every Christmas is my time to evaluate what He has called me to be and do. In 2011 we begin again with a new year full of teams preparing, Lay Directors praying, and Pilgrims God is calling to experience His Grace. One of the ways Billy and I will prepare for this new year will be to give a scholarship to some unknown Pilgrim who, in this heartbreaking economy, needs that agape gift. Does your Reunion Group give gifts to each other? How about giving a gift together of a scholarship and bring a new beginning to a Pilgrim?

God's Blessings to you all !
